## Raiders Preseason Opponents Announced

ALAMEDA, Calif. – The Oakland Raiders' preseason schedule will feature home games against the Los Angeles Rams and Seattle Seahawks, with road contests at the Arizona Cardinals and Dallas Cowboys, the National Football League announced Monday.

Preseason Week	Opponent	Time
Week 1	at Arizona Cardinals	TBA
Week 2	LOS ANGELES RAMS	TBA
Week 3	at Dallas Cowboys	TBA
Week 4	SEATTLE SEAHAWKS	TBA

The Raiders will open the preseason at the Arizona Cardinals for the second consecutive season. It will be the third straight year playing the Cardinals, as Arizona traveled to Oakland in 2015 before last year's game in Arizona. The Raiders' second game will be a home contest against the Los Angeles Rams, marking the first game between the two teams since the Rams moved back to Los Angeles.

The Silver and Black will then play on the road for their third preseason game, travelling to Dallas in the preseason for the first time since 2010. Oakland will finish up its preseason slate against the Seattle Seahawks for the 12th straight season. Eight of those 12 games to close the preseason have come in Seattle, but this is the third time in four years – and second consecutive season – that the Raiders will host the Seahawks in Oakland.

All games will be broadcast locally on the Raiders radio flagship, 95.7 The GAME, and its affiliate stations.

Preseason times and specific dates will be announced at a later date.
